

English Language Training

STA provides high quality, personalised language learning programs to enhance students' communication skills by providing an ideal learning environment using modern materials and techniques.

STA has extensive expertise and experience in designing and delivering a complete range of general, technical, business and military English programs across all proficiency levels.

Many of STA's courses are designed to prepare students for IELTS examination, the internationally - recognised English Language qualification, as well as to develop their general English language ability. STA also offers courses to prepare for any of the University of Cambridge Main Suite (from KET to CPE) and Business English exams (Preliminary to Higher).
